

**teamLab Botanical Garden Osaka 1st Anniversary  
[Official Website Exclusive] Free Invitation for Elementary  
and Junior High School Students Residing in Osaka City**

**May 19, 2023**

teamLab Botanical Garden Osaka, a permanent nighttime open-air museum in Osaka City's Nagai Botanical Garden, will celebrate its first anniversary in July 2023 with the cooperation of the City of Osaka and local residents.

To celebrate the first anniversary of its opening, we will invite elementary and junior high school students living in Osaka City for a free. teamLab Botanical Garden Osaka is a nighttime botanical garden that integrates the nature of the Nagai Botanical Garden with art by teamLab, where plants, trees, forests and ponds, ecosystems and environments are continuous without boundaries. teamLab is committed to providing learning opportunities for children, educational projects in the past.

On our first anniversary, we hope that local children will visit the park as a place of learning.

The art space at "teamLab Botanical Garden Osaka" is spring, summer, fall, and winter, The art space at "teamLab Botanical Garden Osaka" will change with the seasons of the botanical garden, with works of art utilizing seasonal plants.
